

Calmette & Yersin Study Grants

Call for Applications

The Calmette & Yersin Study Grants Programs supports the participation of Pasteur Network scientists in training courses or workshops organised within Pasteur Network.

This call will be **open all year long** and will support any scientific staff within the Pasteur Network who wants to attend a course organized by another Institution member of the PN.

The grant is **€1200 monthly pro-rata** for the period covering the course and is meant to support part of the onsite expenses of the student (accommodation, food and transport). Additionally, the program also covers the registration fee of the student.

The deadline for applying for funding is the same as the course's application. Accepted candidate must start their VISA application as soon as they receive an acceptance to the program

Applications must be written in English and submitted [online](#).

Incomplete or paper-based applications will not be considered.

Carefully review the grant guidelines before applying. Pay also close attention to eligibility criteria, application deadlines, and any specific requirements or restrictions.
